

PRESS RELEASE

DRAFT

11 June 2007

Handley Band Uniforms, TOR Banners and TOR Designs Have Moved!

Handley Band Uniforms, TOR Banners and TOR Designs are delighted to announce their move to new premises is now complete. Systems are all operational and telephone, fax and email contact information remains the same. Their new mailing address changes to: Unit 3, 18 Croydon Street, Leeds LS11 9RT.

Whilst geographically the move is all but a few hundred yards away from their previous address, the new offices and workspace offers the group more space and greater flexibility to expand their business and services.

Of the move, Jon Handley remarked: "This is a very exciting time for the development of our organisations and the move to more spacious premises is an ideal stepping stone for that growth. The newly fitted offices not only provide improved staff facilities, but with our recent investment in technology, we are also now able to accommodate the different elements of our production more appropriately and therefore operate more efficiently."

Customers can find out more about Handley Band Uniforms, TOR Banners and TOR Designs by visiting their respective websites (www.handleybanduniforms.com, www.torbanners.com, www.tordesigns.com). In the meantime, they look forward to discussing your uniform, banner and leisurewear requirements with you, from the comfort of their 'new home'.
